** In 2009, a volunteer group began the local program, *Christmas Honors*. The mission was to transform the National Cemetery in Fort Smith each December into a vision of beauty, and the families of those buried at cemetery to take comfort in seeing the respect that is shown to their grandfathers, fathers, mothers, sons, daughters, brothers, sisters, friends, and other fallen heroes who so loved our Country. The first year more than 1,000 volunteers respectfully placed a wreath on each of the 12,000 headstones. The program has since grown to serving 16,000+ veterans and their families.
